

Construct the leadership career you've always wanted.

This is your opportunity to help shape the expanding urban landscape of Toronto and its surrounding communities at George Brown College – the industry's choice for smart, skilled construction and design professionals.

Director, Centre for Advanced Building Technologies

You will be responsible for the overall administration, management and supervision of the Centre for Advanced Building Technologies (CABT). You will provide strategic direction, academic leadership, support and guidance to CABT administrators, faculty, support staff and students. You will promote the CABT with industry associations and employers and identify ways to increase student/graduate placement opportunities and Centre revenue growth. You will lead the development and implementation of new CABT programs and courses.

You have a Master's or a minimum four-year degree, ideally in a building-industry discipline (Architecture, Construction,

Civil Engineering, etc.) with at least seven years of relevant experience. Your negotiation and presentation skills are complemented by your knowledge of marketing and financial management. You have proven abilities in human resource management and labour relations including issues related to collective agreements. Competition #05-030

Please apply in writing, quoting the competition number, to:

**Human Resources, George Brown College
500 MacPherson Avenue,
Toronto, Ontario M5R 1X1
Fax (416) 415-4115 E-mail: hr@gbrownc.on.ca**

An Equal Opportunity Employer
