# B&CRAO enjoys another successful golf tournament

B&CRAO's Seventh Annual Golf Tournament drew its accustomed sell-out-plus on September 22 at Carrying Place Golf and Country Club.

The summer-like weather saw 156 golfers participating in a shot-gun format. The event was followed by a sit-down meal and a prize exchange.

The foursome with the lowest score included: Lorenzo Cicconi, Peter Kubas, Joe Leal and Hank Staresina. Their combined score of 58 was the score ever achieved by any foursome in winning the Ken Smith Memorial Trophy.

The prize for Longest Drive was won by Troy Da Silva. Sam Evangelista won the Closest-to-the-Pin contest.

Next year's golf tournament will be held in September 2005. The location is still under consideration by the B&CRAO Board of Directors.
